CHARLESTON TRAIN ON COAL AND COKE TO START APRIL 20

This Was Stated Definitely at Conference Held Here Today.

Assurance was given by the Baltimore and Ohio Railroad company that a through train to Charleston would be provided from Fairmont on the new schedule, which will be effective April 20 and it will be a daylight service, at a conference which is being held this afternoon in the rooms of the Fairmont Chamber of Commerce between B. & O. officials and 25 people from Morgantown, Grafton, Elkins, Clarkburg and Fairmont.

The train to Charleston will leave here at 6:30 a. m. and will arrive in the capital city at 5 p. m. The officials of the B. & O. say they would not venture a night service over the Coal and Coke railroad.

This will give a service to Charleston at day time and one at night, the latter being by the way of Point Pleasant or Huntington, connecting with the B. & O. trains from Pittsburgh to Charleston.

The greatest interest probably in the entire new schedule of the B. & O. is the replacing of the New York-St. Louis fliers between those metropolitan cities. Train 11, west, will arrive at Grafton at 5:15 p. m. and hold over until 5:25 p. m. Train 12, east, will arrive at Grafton at 6:33 p. m. and leave Grafton for the east at 6:40 p. m. This puts the B. & O. in a position to compete with the Pennsy with eastern and western traffic, which was crippled during the war. The eastern flier will arrive in New York city about 8:30 o'clock in the morning.

A party from Morgantown was present and its spokesman was S. Fuller Glasscock, who asked that the B. & O. run a train out of that city at 8 A. M. so as to make connections at Fairmont for the east and the West. Some of the Morgantowners asked for certain B. & O. connections with the M. & K. for the accommodations of Morgantown business interests.

Matters relative to a local service with Connelsville will be discussed, as well as other matters that may bob up in reference to the new schedule. One of the matters that will be changed will be train 34 between Grafton and Wheeling which will arrive at Grafton at 8:25 A. M. instead of 8:50 A. M. This will mean that it will pass through Fairmont a half hour earlier.

H. B. Voorhees, Baltimore, general superintendent of transportation, was the spokesman for the B. & O. officials and he intimated that they were assembled to make no promises but to present matters how they would be. Other officials present were W. B. Calloway, Baltimore passenger traffic manager; J. P. Taggart, Pittsburgh, assistant general passenger agent; J. M. Cott, Wheeling, general superintendent; C. W. Van Horn, Grafton, superintendent of the Monongah division; C. J. Proudfoot, Grafton, division passenger agent; T. J. Brady, Pittsburgh, superintendent of the Pittsburgh division.

Dan Howard, of Clarkburg, the veteran coal operator, presided over the meeting and C. W. Evans, secretary of the Fairmont Chamber of Commerce, acted as secretary.

LINDSAY PRICE'S MOTHER PAYS FINE

As a Result an Unusual Tale of a Horse and a Boy Will End.

Lindsay Price will be released from jail today. His mother has paid his fine of \$10. Lindsay is a brother to Fount Price who went to the penitentiary for stealing Fred Patton's cow. Lindsay also has a love for animals and about three weeks ago was said to have stolen a horse from George Creemens. Lindsay is about 17 years of age and his mother vouches for the story that her son was given an old horse not worth much more than \$5 some time ago. The boy had been crazy for a horse for years and because he wanted feed for the animal he entered a store belonging to the Consolidation mines in Harrison county a number of weeks ago and stole some feed. He was arrested and placed in the Clarksburg jail but no case was made against him and he was released. In the meantime the boy's father, because he couldn't, or wouldn't, feed the horse, gave it away to a man by the name of Harbert. Harbert gave the horse to George Creemens. When Lindsay returned he went straight for his horse and finding it gone, went to Creemens and got it, bringing it home. Creemens swore out a warrant charging the boy with theft. Attorney French McCray was employed as attorney for Lindsay Price and McCray advised Price to plead guilty which he did. As a consequence the boy got a fine of \$10 and costs and not having the ten was placed in jail where he has been for about three weeks. When he comes in off the roads tonight, a surprise will be awaiting him.
